

SonicWall TZ 270 3 & FREE Partner Promotion

The most popular partner promotion is now offered on the SonicWall TZ 270 for the first time. It's now easier than ever to move your legacy customers to the SonicWall Security Suite Bundle while upgrading their firewall for free from April 1 to September 30, 2024, or while supplies last.

Offer your SOHO Series GEN 6 or TZ Gen 5 SonicWall customers three years of either Advanced Protection Service Suite (APSS) or Essential Protection Service Suite (EPSS) and they will get SonicWall hardware for free.

When your customers upgrade their SonicWall hardware they gain the latest in next-generation firewall, including:

- **SonicOS 7 Advanced Security**
- Vastly improved DPI, VLAN, and IPsec VPN performance. TZ270 offer 3.5 times firewall, DPI and IPSec VPN performance over SOHO 250 firewalls and more than 6 times over SOHO (Gen 5).
- Greater port density. TZ270 next-generation firewalls supports eight ports while SOHO 250 and SOHO Gen 5 support five.
- 5G Support

Upgrading your customers' SonicWall firewall appliance will provide them with a means to better protect their business, customers and brand.

Promotional SKUs are available for fulfillment via distribution. Please request a drop ship for availability.

Promotional SKUs are available for fulfillment via distribution. These items are eligible for vendor drop shipping when not in stock.
